

HOME BUILDING
FOUNDATION

2026 SPONSORSHIP PROSPECTUS

BUILDING CAREERS. BUILDING SHELTER. BUILDING HOPE.

The Home Building Foundation strengthens communities through economic redevelopment, building careers and building shelter. Support from the home building industry fuels training for the next generation of builders and transforms nonprofit facilities into welcoming spaces where families can rebuild their lives.

Letter from the Executive Director

Dear Friends,

The Home Building Foundation is built on the generosity of the home building industry and the strength of community. We represent the heart of our industry, channeling time, materials, and funding into projects that build careers, build shelter, and build hope.

*Together, we are
building more
than homes, we
are building
dignity,
opportunity,
and hope.*

Each year, we gather for two signature fundraising events, the **Building Hope Gala** and the **Trap Shoot Fundraiser**. These celebrations bring us together to deepen connections and build the funding necessary for workforce training and safe, dignified housing.

Your sponsorship fuels this impact. Together, we are training the next generation of builders through the Workforce Expansion in Residential Construction (WERC) Initiative and Building to Scale training program, Oregon's only builder-led residential training program that creates an industry pathway into industry. Engaged in economic redevelopment, your sponsorship supports transformation of nonprofit facilities into welcoming, functional spaces where families can rebuild their lives.

As you review the enclosed opportunities, I invite you to consider how your company might join us in 2026. Together, we are building careers, building shelter, and building hope.

With Gratitude,

Regan Schutz
Executive Director

Building Hope Gala & Auction

May 30, 2026

The Building Hope Gala is our premier evening celebration that brings together leaders from across the home building industry. Guests enjoy dinner, auctions, and entertainment in a festive atmosphere while investing in the mission of the Home Building Foundation.
